As Chair and Chief Executive respectively, we can confirm that GFirst LEP operates in accordance with the latest revision of the **National Assurance Framework** for Local Enterprise Partnerships.

This is reflected in our **Local Assurance Framework** – (Version 8 Updated 26th March 2019 & 20th June 2019).

GFirst LEP commits to make all decisions relating to the expenditure of public funds in an open and transparent way.

All board directors are required to fully declare any commercial interests and potential conflicts of interests in relation to funding decisions. A publicly available **register of interests** is maintained and a register of interests in relation to specific business at each board meeting is also published. Every board meeting has a standing agenda item for board members to declare any new or changed conflicts of interest before the meeting continues.

The Board includes a dedicated **Risk Champion**, a **Diversity & Equality Champion** and a **Small Business Champion**.

GFirst LEP continues to surpass the Government's requirement of two thirds **private sector representation** on its board as well as surpassing the Government's requirement for **gender diversity**. All board members have committed to the **Nolan Principles** of conduct in public office.

The LEP works with a number of advisory forums, as detailed in Annex B of the Assurance Framework including the LEP Investment Panel and the GEGJC. It is also subject to oversight from the Gloucestershire Economic Growth Scrutiny Committee drawn from representatives of all of the local authorities in Gloucestershire.
