WE'RE ON A MISSION TO HELP YOUR BUSINESS GROW

THE GROWTH HUB

The logo consists of the word "HUB" in a bold, blue, sans-serif font, centered within a white speech bubble shape that points downwards.

WHO WE ARE:

We find the opportunities, the contacts, and the funding so you don't have to.

We're people-people, not automated responses or computer decisions. We are independent and impartial, with no agenda besides helping your business grow.

Thanks to our extensive network of professionals and delivery partners, we're consultants, advisors, accountants, marketers, bankers, manufacturers, business owners, philanthropists, exporters, sustainability champions, engineers, customer service experts, and more; all here to support your business.

We work with local businesses in Gloucestershire to help them achieve their goals.

Signposting - there's so much out there, that knowing which direction to take can be enough to stop you from starting in the first place. We can point you in the right direction, and make the right introductions, to save you time and energy.

Workshops - every time a question gets asked enough, we stop making referrals and find an expert to run workshops on the topic. If they're important to you, they're important to us.

Consultancy - when you need specialist advice, or a long-term business partner, we work with you at a deeper level. We consult our networks, conduct research, leverage connections, and help solve your complex challenges.

The logo consists of the word "YOU" in a bold, blue, sans-serif font, centered within a white speech bubble shape that points downwards.

WHO YOU ARE:

You are a strong, curious, and ambitious business leader with big plans ahead. You are imaginative and inventive, individual and impassioned, with impact in mind.

Your business is based in Gloucestershire and you're ready to take it to the next level. You are looking for funding, networking, connections, support programmes or to find out the latest laws and legislations.

You've got questions and we have the answers.

The logo consists of a large, blue, sans-serif question mark, centered within a white speech bubble shape that points downwards.

SO THE BIG QUESTION...

What does it cost?

Nothing! Nada. Not a penny.

Well, not to you anyway. There's millions behind this project, funded by lots of partners and organisations who all want Gloucestershire to shine.
